1. Budget Estimates of the Kolar Gold Field Sanitary Board for the year 1927-28.

Resolution.—At the request of the President, the Vice-President explained the Budget Estimates both on Receipt and Expenditure side to the members. The estimates had already been circulated amongst them. The Vice-President pointed out that by mistake a sum of Rs. 628 had been omitted on the receipt side under "interest. It was resolved that on the Receipt side a sum of Rs. 628 be added under the Head Interest (D. 14) Interest on Investments) in the Revised Estimate for 1926-27 and under the Budget Estimate for 1927-28.

Expenditure side.—1. Under "D. 1 (d), Establishment", the appointment of the orderly in the temporary establihment of the epidemic Diseases Hospital should be retrenched.

2. Under "D. 2 C." the appointment of the temporary midwife should be retrenched. It was learnt that the present incumbent is rather old to do any active service and that her work was not satisfactory. It was decided that one of the female attendants in the Child Welfare Centre, who has sufficient knowledge and experience in midwifery be asked to look after the work of the midwife and that one of the wardresses, at present employed in the Epidemic Diseases Hospital be permanently transferred to Child Welfare Centre.

There is a Dhobi on Rs. 23 per mensem, attached to the Epidemic Diseases Hospital. He should be replaced by another Dhobi, on a less pay.

It should be investigated by the Vice-President whether it was necessary to give two peons to the Andersonpet Market and whether the service of one of them could not be dispensed with.

The provision of Rs. 250 to the Market Show should be reduced to Rs. 200.

The Work Inspector, who gets Rs. 900 per annum has very little work. All his duties may be conveniently attended to by the respective Sanitary Inspector. The Board are of opinion that the post of the work Inspector may be retrenched.

Under D. 11 Mis." "Unforseen Expenditure", the provision should be increased by Rs. 500. under the same head, a sum of Rs. 100 should be provided for the purchase of chemicals and apparatus for the Laboratory.
